900 South to 2100 South, roadway rehabilitation

UDOT will partner with Salt Lake City to revive the 900 East roadway from 900 South to 2100 South. Side treatments will include replacing curb, gutter, driveway approaches, sidewalk ramps, and intermittent sidewalk replacement. Streetscape improvements will include new traffic signals, new street lights, storm drain and irrigation upgrades, and landscaping.

This is a Salt Lake City local government project with UDOT oversight.

Current budget: \$8 million

Legislative Districts:

Senate: 7

House: 25, 30

NOTE: This information could change without notice based on funding, scheduling constraints, stakeholder issues, and other unanticipated project elements.
